RELATED EXPERIENCE

Fullstack Engineer
Wink News
02/2021 - Present   *Fort Myers, FL*

Achievements/Tasks
- Collaborated with the team to design and develop new web applications resulting in a 25% increase in user engagement and a 10% increase in conversion rates.
- Integrated multiple third-party APIs, including payment gateways, shipping providers, and email marketing services, to streamline the checkout process and improve customer experience.
- Conducted load testing and implemented caching and CDN techniques to handle high traffic and improve application performance.
- Coordinate and deploy various audio, image and video advertising across all websites, and implement tracking and analytics metrics.
- Mentored and trained junior engineers, conducting code reviews and providing guidance on best practices.

Frontend Engineer
Recovery Worldwide
07/2019 - 02/2021   *Orlando, FL*

Achievements/Tasks
- Develop new user facing features using different technical stacks. Increased targe audience engagement by 10%.
- Enhance application for maximum speed and scalability, reaching an average of 95/100 across all standard performance software.
- Collaborate with cross-functional teams, including UI/UX designers and backend developers, to ensure the successful delivery of projects.
- Work closely with the product team to understand and translate business requirements into technical solutions.

Jr. Web Developer
SORBA.ai
06/2018 - 07/2019   *Jacksonville, FL*

Achievements/Tasks
- Designed and developed user interfaces for web applications using HTML, CSS, and Javascript.
- Actively participated in code reviews and provided feedback to improve code quality and maintainability.
- Conducted cross-browser testing and resolved compatibility issues.
- Write and review software documentation and update in version control.

TECHNICAL SKILLS

HTML/CSS   Javascript (ES6+)   Typescript   React

Redux   Node.js (Express)   PHP   OOP   Git

PostgreSQL   MongoDB   Jest   CI/CD   Docker

Kubernetes   AWS   Unix/Linux   Agile/Scrum

SOFT SKILLS

Problem Solving   Communication   Teamwork

Attention to Detail   Time Management   Creativity

Adaptability   Leadership   Initiative   Empathy

ADDITIONAL EXPERIENCE

Electrical High Voltage Engineer
PTC Ecuador
12/2015 - 03/2017   *Guayaquil, EC*

Junior Automation Engineer
EMCCA
09/2014 - 07/2015   *Ciego de Avila, CU*

EDUCATION

Bachelor of Science in Automation Engineering
Marta Abreu Central University
09/2009 - 07/2014   *Santa Clara, CU*
